DOCUMENTATION

QUESTION: *Who may sail?*

ANSWER: Please make sure that everyone in your stateroom is eligible to sail.

1. Infants who are at least 6 months old on the day of departure may sail.
2. Women who will be less than 24 weeks into their pregnancy on the day of departure, and for the duration of the cruise, may sail. This policy is due to the risk of premature labor. Pregnant women must have a letter from their doctor stating how far along (in weeks) their pregnancy will be at the beginning of the cruise, that mother and baby are in good health and fit to travel, and that the pregnancy is not high-risk.
3. Adults aged twenty-one or older may sail. The Cruise Line shall refuse boarding to any guest under the age of twenty-one unless the guest is:
 - a. traveling in the same stateroom with an individual twenty-one years or older;
 - b. traveling in the same stateroom with their spouse (proof of age and/or proof of marriage are required); or
 - c. traveling with a parent or guardian in an accompanying stateroom.

Guests not conforming to these policies will be denied boarding and no refund of the cruise fare will be issued. Sorry, there are **NO EXCEPTIONS** to these policies.

QUESTION: *What kind of travel documentation will I need?*

ANSWER: Proper travel documentation is required at embarkation and throughout the cruise and is the responsibility of the guest. Any guest traveling without proper documentation will not be allowed to board the vessel and no refund of the cruise fare will be issued.

U.S. citizens are encouraged to show a U.S. passport. If they do not have a passport, they must provide a valid government-issued photo ID (i.e. Driver's License) and proof of U.S. citizenship in the form of a government-issued (not hospital issued) U.S. birth certificate.

It is important that guest names on travel documents be identical to those on the cruise booking. Otherwise, proof of name change (i.e. a marriage license) AND a valid driver's license or government-issued photo ID must be presented. For further information on documentation see U.S. Customs and Border protection.

In order to serve our customers better PREMIER has partnered with A Briggs Passport and Visa Expeditors. If you need to order a new passport, renew a passport, replace a lost or stolen passport, or update your passport, A Briggs works with the U.S. Passport Agency and foreign embassies and consulates to secure passports as quickly as 24 hours. For further information see the Travel Options section of our website.

TRAVEL LOGISTICS

QUESTION: *What is the suggested time to arrive in Miami, FL?*

ANSWER: Guests will be able to embark on the Divina at approximately Noon on Tuesday, July 11th. Lunch will be served in the buffet. Please allow for any travel delays. All guests will need to be in the terminal by 3:00 PM. It will be the responsibility of each guest to arrive and register on time. PREMIER is not responsible for delayed flights or arrivals to the Port Terminal.

QUESTION: *I'm driving. Is there an affordable place to park my car for the duration of the cruise?*

ANSWER: Yes. The Port of Miami has a parking garage, which you will be able to use during the duration of your cruise for a fee. Visit www.miamidade.gov/portmiami/parking-transportation.asp for parking information.

The MSC Divina will be docked at Port of Miami. If using a GPS device, enter 1015 N. America Way, Miami, Florida 33132 as the address of your destination. Once at the Port's bridge, turn off your GPS, stay in the left lane, and follow the signs to designated terminal.

Oversized vehicles will be priced according to size. Additional Fees apply for parties of 5 or more.

QUESTION: *Does PREMIER offer transportation to and from the Pier?*

ANSWER: No. PREMIER suggests checking with your arrival airport for shuttle services. Taxis are also available.

EXCURSIONS

QUESTION: *What about shore excursions in Nassau and CocoCay?*

ANSWER: You may choose from a variety of shore excursions at our beautiful ports of call! If you would like to purchase a shore excursion package through MSC, we recommend that you do so on-line before the cruise. Please note that you will need your booking number to make a purchase. You may also register for a shore excursion at the onboard desk after boarding the ship. These excursions are optional. *

Please remember to allow yourself enough time to get back to the ship before our scheduled departure. The ship's time will remain on Eastern time throughout the sailing. Cell phones may reset to local time if we sail outside of the Eastern time zone, which could make you an hour late if you rely on them. The ship will not wait for late guests.

ANSWER: Your final dining time and dining room will be indicated on your cruise card. Groups should plan to arrive early to secure seats together. By popular request, all dining rooms are smoke-free.

QUESTION: *Do meals cost anything?*

ANSWER: All meals in the dining rooms and buffet are included in your cruise fare. Room service is available 24 hours a day (there is a service charge if ordering between 11PM and 6AM)

The MSC Divina has several specialty restaurants that are an additional charge. Reservations may be made prior to sailing, as well as on-board.

MEDICAL NEEDS

QUESTION: *Will I get seasick?*

ANSWER: Seasickness is very rare on ships as large as this. The ship is equipped with stabilizers, which are designed to keep it smooth and steady in the water.

QUESTION: *Is there a medical staff on board?*

ANSWER: A qualified physician and nurse from the ship's medical staff are on call 24 hours a day. Infirmary hours for medical examinations can be found in your MSC Daily Times. A professional fee will be charged. If you should contract a contagious disease, or even suspect a contagious disease, it is compulsory that you report it to the ship's doctor for the safety of everyone on board. If you are taking any prescribed medication and/or want the medical staff to be aware of any special needs, please contact PREMIER. This will ensure they will be prepared should you need assistance. The ship's doctors are independent contractors.

QUESTION: *What about my medications?*

ANSWER: Please carry your required medication in your pocket or purse so that it will be available when needed. Checked luggage may not be accessible at all times. If you're using any prescription drugs, vitamins or other medication on a regular basis, you should bring an adequate supply with you since these may not be readily available either aboard ship or in our ports of call.

STAYING IN TOUCH

QUESTION: *Will I have access to the internet while onboard the ship?*

ANSWER: Yes! To keep you connected while at sea, every one of MSC's ships sells Internet access facilitated through the Internet Café and through the ship-wide WiFi network. There are three different Internet packages available according to whatever your usage needs. Usage fees apply.

GENERAL CRUISE INFORMATION

QUESTION: *What is an Onboard Expense Account (Cruise Card) and how does it work?*

ANSWER: The Cruise Card is MSC's cashless on board credit program that allows guests to charge purchases directly to a personal account for convenience throughout the cruise.

To set up your onboard account, you will need your cruise card and a credit/debit card. There are nine kiosks around the ship where you can register your credit/debit card to your cruise card. You will not be allowed to debark on the last day if you have a balance, and have not set up your card. You may use your card, as soon as you get onboard even if the card has not been set up yet. The registering of your card takes minimal time to set up, and each person in your stateroom must register.

You may also set up your onboard account with cash. You will need to set this up with MSC Guest Services on-board the ship.

Your Cruise Card will also serve as your Boarding Card and your room key. This card identifies you as a MSC guest and must be carried with you when you go ashore. Be prepared to show your Cruise Card to the officer on duty in order to return on board.

QUESTION: *What activities will be available aboard the ship?*

ANSWER: The beauty of the Jesus Freak Cruise is that you can do as little or as much as you want to do. In addition to the typical MSC Cruise activities and amenities, there will be nightly concerts, kids and teens events and so much more.*

QUESTION: *Will the ship's casino and bars be open during the Cruise?*

ANSWER: Yes. The ship operates a casino, bars, and stores (formality shops, hair salon, spa, and gift shop) on the ship. These entities are operated by the cruise lines or outside vendors contracted by the cruise lines. PREMIER and its affiliates do not endorse any particular entity. Alcohol, non-alcoholic and soft drink beverages will be available throughout the ship during its sailing.

QUESTION: *What should I pack?*

ANSWER: Casual attire is the order of the day, both on board and ashore. For GALA evening, formal or church attire is suggested. The dress code for other evenings can be semi-formal to casual resort wear. Note: Shorts and tank tops are not permitted in the dining room area during dinner.

QUESTION: *What do I do with my valuables?*

ANSWER: We're sure you'll want to bring your camera, jewelry and other valuable items with you on your cruise. However, since the ship cannot accept responsibility for any articles left in the stateroom, public areas or packed in your luggage, we suggest the use of a safety deposit box or cabin safe. For your convenience and protection, safety deposit boxes are available in every stateroom and are located in either the closet or a cabinet.

QUESTION: *What about electrical appliances?*
